

# ROLLER CURTAIN DESTINATION SIGNS AND MECHANISMS

Transign LLC roller curtain destination signs are adaptable to any transportation mode. These cost-effective signs are a reliable component for rail cars, cut-aways, demand response vehicles, trolleys and transit vehicles. Utilizing a printed format, the signs are easily customized to include text, numbers, logos and images in a variety of colors. Providing the best clarity in the market, roller curtains are easily expanded to accommodate changing routes. Hand crank or motor driven models are available in numerous sizes to fit your vehicle. Low maintenance and simple installation make the Transign LLC roller curtain sign a desired component in any transit vehicle.
